EMERGENCY MANAGEMENT TRAINING

CIM's (Co-ordinated Incident Management System)

DOC has organised for an assessor to deliver some CIM's training. All emergency services use CIM's and the Response Team along with Councillors as backup support to the EOC (Emergency Operations Centre) need to learn this system.

Date: 17 June 2009

Time: 9.30am-3pm (may finish earlier)

Venue: Waitangi Hall

Rural Fire Training

Rural fire training with DOC is still awaiting confirmation for a start date. August as yet. Date, time and place to be advised.

Marine Oil Spill Training

Maritime NZ are now looking for a training date in July/August; I am looking at either 24 July or 6 August and will be contacting Maritime NZ with the new proposed training dates.

Please also bring along anyone new wishing to join as the CIM's training is important for all emergency service personnel to learn. Please confirm attendance no later than 12 June.

If you do have any question please call during office hours 3050033

Thank you.
