# Special Licence information

## What is a special licence?

A special licence allows the sale or supply of alcohol on a given premises or conveyance for the duration of a specific occasion or event. A special licence can also be issued to an on- or club licensee for an event not covered by their licence.

A special licence can cover one event or a series of events, for up to 12 months after it is issued.

## When is a special licence required?

If alcohol is sold at an event or supplied to the public at an event, the person responsible needs to get a special licence. They also need a special licence if alcohol will be available and they charge an entry/ticket fee, or ask for a donation or koha.

Even if an event is to take place on already-licensed premises, as a licensee you will need to check whether a special licence may be needed in relation to the event, as it may not be covered by your existing on- or club licence.

You do not need a special licence if you are supplying alcohol to guests in your own private residence or you are holding a private event where alcohol is not being sold.

## Application timeframes

**An application for a special licence MUST be lodged at least 20 working days before the event(s) is/are to be held.**

Applications received within 20 working days of the event will not be accepted. For large events, we expect applications to be lodged at least 30 working days before the event(s).

A 'working day' does not include weekends, statutory holidays or any day from 20 December and 15 January (inclusive).

## Application fee

See the last page of this application form for details on special licence application fees

## Special licence types: on and off site

An on-site special licence allows the sale or supply of alcohol that will be consumed at the event(s). An off-site special licence allows the sale or supply of alcohol that will be taken away and consumed at another place. This also allows free samples to be supplied. An off-site special licensee can only sell their alcohol (for example, a winery can sell the wine they produce).

## Large events

The District Licensing Committee may require that an applicant provide any or all of the following for a large scale event:

- An alcohol management plan describing how the applicant proposes to deal with matters such as security, monitoring, interaction with local residents and public health concerns.
- The applicant may be required to attend a meeting with a licensing inspector. The applicant will be contacted after the application has been received to arrange an appointment.

## Special licences for more than one day or one event

If this application is for more than one day, then the days and events must be related in similarity (number and types of people, location, type of event) - such as;

- The same event over a number of days - i.e. 3 day home show, race meetings, series of weekday fundraiser competition.
- Small clubs or similar organisations that do not hold a permanent licence. There needs to be many similarities - i.e. One club night a month for the same people and hours event with different themes.
- Function centre for different private functions where the numbers, venue and hours are similar.

Otherwise a separate application and fee is required.

## Public notice

If required to do so by the secretary of the District Licensing Committee, the applicant must within 10 working days after filing this application with the committee ensure that notice of this application in form 8 is attached in a conspicuous place on or adjacent to the site to which this application relates.

# Special Licence application fee

There are three fee rates for special licences. The fee depends on the size and number of events covered by the licence. The new fee system, set by the Ministry of Justice, more fairly reflects the cost of alcohol licensing.

Use the chart below to determine which category your special licence fits into. All application fees below are GST inclusive.

Licence Type	Application Fee	Description
Class 3	\$63.25	1 or 2 events covered by the licence that are of a 'small size'
Class 2	\$207.00	3 to 12 events covered by the licence that are of a 'small size', or 1 to 3 events that are of a 'medium size'
Class 1	\$575.00	All other special licences, including licences for events that are of a 'large size', 13 or more events that are of 'small size', or 4 or more events that are of 'medium size'.

- A small event is an event that will be attended by less than 100 people.
- A medium event is an event that will be attended by between 100-400 people.
- A large event is an event that will be attended by more than 400 people.

Please note that it is Chatham Islands Council that determines the final application fee so you may be charged further fees before your licence is granted.

Application fees are set by the Ministry of Justice. For more information, see <http://www.justice.govt.nz>.
