PUBLIC NOTICE

CHATHAM ISLANDS PEST MANAGEMENT PLAN – COMMENCEMENT

The Chatham Islands Council has made the Chatham Islands Pest Management Plan (the Plan) in accordance with the Biosecurity Act 1993 s 77(1). **The Plan will commence on 17 May 2021.** The Plan is a key component for the Chatham Islands Council's wider biosecurity programme and provides the regulatory requirements for priority pests across the region.

Inspection and availability of the Plan

Copies of the Plan can be viewed from 7 May 2021:

- During office hours at the offices of Chatham Islands Council: 9 Waitangi Tuku Road, Waitangi
- On the Chatham Islands Council website: www.cic.govt.nz/services/primary-services/pest-management

The relevant documents can be downloaded from the Chatham Islands Council website, and paper copies of the Plan are available from the Chatham Islands Council on request.

For any enquiries, please contact Customer Services; 03 305 0033 or 03 305 0034.
